Dear Friends,

As you aspire to get admitted into our college there are a few things we would like to talk straight from our heart. College life provides you with the platform to build your career. This phase of your life is crucial in shaping your personality so that you come across as a resourceful person in the society --be it in academics, liberal arts, sports, entrepreneurship or social work including politics.

As one of the best colleges of Assam, you can be assured of a healthy environment in which to shape your destiny here. Our physical and human resources are geared up to help achieve your desired goals in life. In this regard, let us share some good news. We have embarked on strengthening our ICT-based Teaching-Learning-Evaluation process with the active help, support and facilitation of IIT, Kharagpur. Due to COVID-19 the Online Classes and other activities have achieved new heights, most of the faculty members as well as students have actively participated in the new way of learning. We hope that this will go a long way in fringing in quality in our teaching, learning and evaluation process. Moreover, seven of our Science departments, viz. Depts of Botany, Zoology, Physics, Chemistry, Mathematics, Biotechnology and Computer Science have received support from the Department of Biotechnology, Govt of India, under the Star College Scheme put a new dimension in strengthening science education in our College. Our endeavour to offer the best possible options and facilities in the academic field is an on-going process and we will continue to do so in the future as well. We are focusing on student-centric works like regular workshops on personality development and soft skills, Public speaking, entrepreneurship development etc. We have signed MoAs with several industries and are working for students' internship. GST course is also running as an add-on course for commerce students in collaboration with Assam Skill Development Mission. Last year to deal with the COVID-19 situation we have introduced two online platforms. "Pragyadeep" opened for online interactions with prominent academician personalities. "Ekalabya" was started as an e-learning platform. Online coaching for SSC and other allied examinations also done.

In return for a meaningful student career in our college, we would like you to focus on the following things:

• There is no short cut to hard work. So whatever goal you have set up for yourself, you must persevere to achieve it the hard way. We shall be at your side to help achieve your goal. Our entire College family will stand by you to help realize your goals.

• Discipline is the hallmark of any top grade college. In every walk of your college life in Kaliabor College, you must adhere to a healthy and disciplined approach to your academic and extra-curricular activities. Right from attending classes, sitting for examinations/tests and projects, conducting oneself within the college campus and outside, in the sports field and cultural arena, you shall abide by the rules laid down by the college. Make no mistake. The good student will be suitably rewarded in our college whereas the erring student will be punished firmly so that course correction measures can be put in place as exemplary deterrents.

With these words, we forward this Prospectus 2021-2022 with the hope that you will become a meaningful part of our exciting and renewed journey towards excellence.

Dr. Hiranya Kr. Chaliha
Principal
Kaliabor College
