•

The meeting <sup>has</sup> decided the following two teachers of department of Chemistry to lead the courses of two Discipline Specific Elective (DSE) papers (Both theory & practical). All the faculty members will take theory classes and practical classes for the smooth progression of both the papers.

1) Analytical Methods in Chemistry (Leading Teacher, Manisha Goswami)

2) Polymer Chemistry (Leading Teacher, Pratap Medhi)

Both the teachers will lead the course of <sup>DSC/DSE</sup> papers for BSc 5th Sem Honors & Regular course (Both Theory part & practical part).

Bhuyan 22/10/21
