Report on 3-Day Workshop on "PHP, Android Application Development & Networking Technology"

Organized by: Department of Computer Science, Kaliabor College

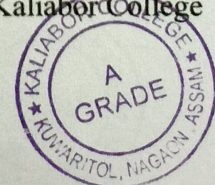

Date: 28th to 30th September, 2018

The Department of Computer Science at Kaliabor College organized a comprehensive 3-day workshop on "PHP, Android Application Development & Networking Technology" from September 28th to September 30th, 2018. The workshop aimed to provide students with practical insights into the world of programming, mobile app development, and networking technology. The event brought together three distinguished resource persons from leading technology companies to share their expertise with a total of 65 enthusiastic participants. Mr. Nabarun Ghosh, Wipro Ltd., a seasoned professional from Wipro Ltd., brought in-depth knowledge of PHP programming and its applications. With his extensive industry experience, he shared real-world examples and case studies to help students understand the practical implementation of PHP in various domains. Jyotirmoy Poddar, Zaloni Technology Ltd., Guwahati representing Zaloni Technology Ltd., focused on Android application development. He walked the participants through the basics of Android app creation, user interface design, and app deployment. His insights into the rapidly evolving mobile app landscape were invaluable. Kongkon Kalita, CIT Kokrajhar, BTAD, an expert from the Central Institute of Technology, Kokrajhar, brought his expertise in networking technology to the workshop. He delved into the intricate world of networking, discussing concepts like network protocols, security measures, and the future trends in networking technology. The workshop spanned three intensive days, each day being dedicated to one of the key topics: PHP programming, Android application development, and networking technology. The 3-day workshop on "PHP, Android Application Development & Networking Technology" organized by the Department of Computer Science at Kaliabor College was a resounding success. The event provided a platform for students to expand their knowledge, interact with experts from the field, and gain practical insights into the ever-evolving world of technology. The initiative not only contributed to the professional development of the participants but also strengthened the college's commitment to fostering excellence in computer science education.
