Report on National Science Day Celebration

Date: 28th February 2019

Organized by: Department of Chemistry, Kaliabor College

National Science Day is celebrated in India every year on 28th February to commemorate the discovery of the Raman Effect by Sir C.V. Raman in 1928. On 28th February 2019, the Department of Chemistry at Kaliabor College organized a National Science Day celebration, bringing together students and faculty members to promote scientific awareness and curiosity. It was a grand success, with active participation from 29 students. The event included a series of activities and programs that aimed to engage and inspire young minds in the field of science.
