Career Counselling Programme Report: "In Search of a Career"

Organized by: Department of Mathematics, Kaliabor College

Date: 4th April, 2019

On the 4th of April, 2019, the Department of Mathematics at Kaliabor College organized a career counselling programme titled "In Search of a Career." The primary objective of this programme was to provide valuable guidance and insights to students on various career prospects and pathways available to them. Prof. Hemanta Kumar Sarmah, a distinguished faculty member from the Mathematics Department at Gauhati University, was invited as the resource person. The event attracted a total of 27 enthusiastic students. The career counselling programme was designed to help students explore their career options and make informed decisions about their future. An interactive question and answer session allowed students to seek clarification on career-related doubts and engage in discussions about their aspirations. Their engagement in discussions and eagerness to explore different career avenues reflected their enthusiasm for planning their future.
