### Movie Screening

**March 8, 2025:** As a part of the International Day of Mathematics (IDM) celebrations, the Department of Mathematics, Kaliabor College, organized a special movie screening on March 8, 2025. The event aimed to inspire students by showcasing the life and contributions of great mathematicians. Faculty members, along with students from the 2nd, 4th, and 6th semesters, attended the screening. The event provided an opportunity for students to appreciate the beauty of mathematics beyond textbooks and understand its impact on real life. The session concluded with an interactive discussion, where students shared their thoughts on the movie and its relevance to mathematics. The event successfully encouraged a deeper appreciation for the subject and its role in shaping the world.
