Report on e-Lecture Programme: "Decentralized Waste Management and Organic Farming for a Healthy Planet"

Date: June 5, 2021

Organized by: Eco Club and Environmental & Climate Cell, Kaliabor College

Occasion: World Environment Day

In commemoration of World Environment Day, an e-Lecture programme titled "Decentralized Waste Management and Organic Farming for a Healthy Planet" was organized by the Eco Club and Environmental & Climate Cell at Kaliabor College. The programme was held on June 5, 2021, and aimed to promote awareness and knowledge about sustainable environmental practices. The e-Lecture was a significant initiative designed to address the critical issues of decentralized waste management and organic farming, with a focus on their importance in preserving our planet's health. Dr. Amarjyoti Kashyap, an expert in Environment & Solid Waste Management, served as the distinguished resource person. The e-Lecture attracted a diverse group of 33 enthusiastic participants who actively engaged in the session. Dr. Amarjyoti Kashyap's expertise and informative presentation encouraged questions and discussions, making the session highly interactive and enlightening. The Eco Club and Environmental & Climate Cell at Kaliabor College remain dedicated to organizing such events that foster environmental consciousness and action.

**Report on a Workshop Arsenic, Iron, and Fluoride Removal "Arsiron
Nilogon and Fluoride Nilogon"**

Date: 19th March 2019

Organized by: NEER & NSS Unit, Kaliabor College

In Collaboration with: Department of Chemical Sciences, Tezpur University

Supported by: UGC SAP

A workshop focusing on the removal of arsenic, iron, and fluoride from various water sources, titled "Arsiron Nilogon and Fluoride Nilogon," was successfully conducted on the 19th of March, 2019. The workshop was organized by the NEER (Natural Elements and Environmental Resources) and NSS (National Service Scheme) Unit of Kaliabor College, in collaboration with the Department of Chemical Sciences at Tezpur University. This event was supported by the University Grants Commission's (UGC) Special Assistance Programme (SAP). The primary objectives of the workshop were to disseminate knowledge about the harmful effects of arsenic, iron, and fluoride in water sources, educate participants about effective techniques for the removal of these contaminants from water, foster interdisciplinary learning by bringing together participants from various disciplines. The workshop garnered participation from a diverse group of 43 participants representing different disciplines and institutions. The workshop covered a range of topics related to the contamination of water sources by arsenic, iron, and fluoride, as well as methods for their effective removal. By addressing the critical issues of arsenic, iron, and fluoride contamination in water sources, the event highlighted the significance of collaborative efforts between academia, institutions, and communities to address environmental challenges. Participants left the workshop equipped with a deeper understanding of water contamination issues and practical solutions for mitigation. The success of the workshop reflects the commitment of NEER, NSS Unit of Kaliabor College, and Tezpur University to raising awareness and finding sustainable solutions to pressing environmental concerns.

Report on National Science Day Celebration

Date: 28th February 2019

Organized by: Department of Chemistry, Kaliabor College

National Science Day is celebrated in India every year on 28th February to commemorate the discovery of the Raman Effect by Sir C.V. Raman in 1928. On 28th February 2019, the Department of Chemistry at Kaliabor College organized a National Science Day celebration, bringing together students and faculty members to promote scientific awareness and curiosity. It was a grand success, with active participation from 29 students. The event included a series of activities and programs that aimed to engage and inspire young minds in the field of science.

Report on Online Programme: "Plagiarism and Publication Ethics, Do's and Don'ts"

Date: June 7, 2021

Organized by: Central Library, Kaliabor College,
In association with: Central Library, Rupahi College

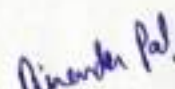

An informative and insightful online programme focusing on "Plagiarism and Publication Ethics, Do's and Don't" was jointly organized by the Central Library of Kaliabor College, in collaboration with the Central Library of Rupahi College. The programme was conducted on June 7, 2021, with the objective of enhancing awareness and understanding of ethical practices in publication and research. The online programme provided valuable guidance on two crucial aspects of academic and research integrity:

1. **Plagiarism Awareness:** Participants gained an in-depth understanding of the concept of plagiarism, the different forms it can take, and the potential consequences for individuals and academic institutions. The session emphasized the importance of originality in research and the avoidance of plagiarism.

2. **Publication Ethics:** The programme also addressed the ethical considerations involved in academic publishing. This included discussions on proper citation, authorship guidelines, conflicts of interest, and other aspects of maintaining high ethical standards in research and publication. The programme featured Professor Sanjay Kumar Singh, the Head of the Department of Library and Information Sciences at Gauhati University. Professor Singh brought a wealth of knowledge and experience in the field of library and information sciences, making him an ideal resource person for this event. A total of 54 participants attended the online programme, representing a diverse group of individuals interested in academic research, publishing, and library sciences. The session encouraged active engagement through discussions and questions, allowing participants to gain a comprehensive understanding of the topics covered.

Round Table Discussion Programme Report

Organized by: Department of Political Science, Kaliabor College
In Collaboration with: Centre for South East Asian Studies, Gauhati University
Date: 30th April 2019

A stimulating 'Round Table Discussion' programme was conducted by the Department of Political Science at Kaliabor College, in collaboration with the Centre for South East Asian Studies at Gauhati University, on 30th April 2019. The event provided a platform for insightful discussions on pertinent topics related to politics and South East Asian studies. Esteemed professors and experts in the field delivered lectures, and the programme attracted a participation of 72 enthusiastic students. Dr. Darwis Khudori, Professor, University of Le Havre, France an eminent academic and expert in the field of political science, shared his extensive knowledge on the topics of discussion. His international perspective added depth and diversity to the discourse. Professor Nani Gopal Mahanta, Director, I/C Centre for South East Asian Studies, Gauhati University a distinguished scholar in South East Asian studies, brought his expertise to the discussion. His insights into the region's politics and dynamics were invaluable. Professor Akhil Ranjan Dutta, Head of the Department of Political Science, Gauhati University an authority in political science, contributed his deep understanding of the subject matter to the event. The 'Round Table Discussion' programme encompassed lectures, discussions, and insightful conversations on the selected topics. The resource persons delivered engaging lectures on various topics related to political science and South East Asian studies. These lectures were followed by interactive discussions that allowed students to engage directly with the experts, ask questions, and share their own perspectives. Mr. Gopal Mili, Head of the Department of Political Science, Kaliabor College, skillfully anchored and coordinated the programme, ensuring its smooth flow and effective participation. The students actively participated in the programme, demonstrating their enthusiasm for the subject matter.

Report on Students-Entrepreneur Interface Programme

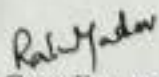

Organized by: B. Voc. (Small Tea Garden Management) & IQAC, Kaliabor College

Date: 26th October 2018

On 26th October 2018, a dynamic "Students-Entrepreneur Interface Programme" was jointly organized by B. Voc. (Small Tea Garden Management) and the Internal Quality Assurance Cell (IQAC) at Kaliabor College. The event aimed to foster a bridge between aspiring students and successful entrepreneurs in the field of tea garden management. The interface brought together distinguished speakers, key industry experts, and students to share insights, experiences, and opportunities. A total of 34 students actively participated in this enlightening programme. Prof. Gautam Kr. Saikia, Department of Tea Husbandry & Technology, Assam Agriculture University, Jorhat, a recognized authority in tea husbandry and technology, served as the key speaker. His extensive knowledge added depth and credibility to the event. Mr. Gajen Barman, Proprietor, BH Mini Tea Plantation, Sirajuli, Sonitpur, a successful entrepreneur in the tea industry, shared his practical experiences and insights into small tea garden management. Mr. Shyamanta Boruah, Organic Tea Farmer & Manufacturer, Gohpur an expert in organic tea farming, highlighted the importance of sustainable and organic practices in the tea sector. Mr. Abinash Daimari, President, Udalguri Farmers Co-operative Society, a leader in cooperative farming, discussed the role of cooperatives in the tea industry and the benefits they offer to small tea growers. Mr. Mrinal Talukdar, a distinguished journalist from Pratidin Time, Guwahati, took on the role of the moderator, ensuring the smooth flow of discussions and encouraging active participation from both speakers and students. The Students-Entrepreneur Interface Programme comprised informative sessions, discussions, and opportunities for students to engage with the expert panel. The event featured panel discussions, where the speakers shared their knowledge and experiences in the tea industry. Topics such as tea cultivation, organic farming, cooperative models, and the challenges and opportunities in the tea sector were explored. The programme encouraged networking among students and the speakers. This facilitated the exchange of ideas and the establishment of potential mentorship relationships.
