Report on "Interactive Session on Open Text Book Examination"

Date: 17th and 18th June, 2021

Organized by: Kaliabor College

Kaliabor College, a stalwart of higher education in Assam, takes a unique initiative to make the students aware of the newly introduced examination mechanism i.e., Open Text Book Examination arranged by Gauhati University for UG programmes. The authority informs that as an aftermath of Covid pandemic, the teaching-learning process suffers a setback, so the University formulates new practices to be adopted by the affiliated colleges and the students are not still in a position to negotiate with the newly adopted formula of examination. So, the college adopts an interactive session with the students where the faculty members from the college itself, from a number of disciplines, have tried to respond to the queries of students and thereby to prepare them for smooth conduct of the examination.
