Best Practice 1: Social and community development through outreach initiatives.

OBJECTIVE OF THE PRACTICE

- To raise awareness among the community about swatchata.
- To raise awareness among the community about health.
- To create awareness against superstitions.
- To create awareness and take research work for arsenic removal.
- To support the scarcity of villagers through contribution.

PRACTICE 1-

NCC and NSS of the college regularly conduct different community development programmes as part of Swachh Bharat Mission.

1. NCC & NSS PROGRAMS ON SWACHH BHARAT MISSION

ASTEC/S&T/1363/2007 / 7439 Dated October 03, 2007

To

The Principal
Kaliabor College
Kuwaritol, Nagaon, Assam
Pin - 782137

Sub: Establishment of Aryabhata Science Centres.

Dear Sir/Madam,

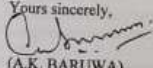

In inviting reference to the Expression of Interest submitted by your organization for establishment of an Aryabhata Science Centre in **Kaliabor Block** of **Nagaon** District, I would like to inform you that your organization has been provisionally selected for establishment of the Aryabhata Science Centre in Kaliabor Block of Nagaon District.

You are now requested to send the following documents within October 15, 2007 positively:

- 1 The bio-data of a Coordinator who will be in charge of the Centre and coordinate its activities. The person selected as the Coordinator should necessarily be a local resident within the block, preferably with a non-transferable engagement if in service, and must have voluntary interest in science & technology communication.
- 2 A rough sketch of the house/building showing the room in which the Centre is proposed to be housed.

Please treat this matter as urgent as all the Aryabhata Science Centres are proposed to be formally inaugurated centrally at Guwahati by Shri Tarun Gogoi, Hon'ble Chief Minister of Assam in the first week of November, 2007. It is advisable that you personally submit these documents in our office within the dead line.

Thanking you.

Yours sincerely,

(A.K. BARUWA)
Director

**MOU WITH DEPARTMENT OF CHEMICAL SCIENCES, TEZPUR
UNIVERSITY**

**MEMORANDUM OF ARRANGEMENT
BETWEEN**

**DEPARTMENT OF CHEMICAL SCIENCES TEZPUR
UNIVERSITY**

Tezpur | PIN - 784028 | Assam

AND

KALIABOR COLLEGE

Kuwaritol | Kaliabor | Nagaon | PIN - 782137 | Assam

OFFICE OF THE PRINCIPAL KALIABOR COLLEGE

(Affiliated to Gauhati University, UGC recognized)
P.O.- KUWARITOL -782137: NAGAON: ASSAM

Email: kaliaborcollege@gmail.com Tele-Fax: 03672-295517 website: www.kaliaborcollege.ac.in

This Memorandum of Arrangement is entered into this ^{19th} day of ^{August} June, 2019,
between the Department of Chemical Sciences, Tezpur University (henceforth DCS-TU), a Department established in 1997 under Tezpur University, a University established by an Act of Parliament, represented by the Head of the Department, as the **First Part**,

AND

Kaliabor College, Kuwaritol, Kaliabor (hereinafter referred as KC), established in 1969 with affiliation to Gauhati University, having its campus at Kuwaritol, Kaliabor, Nagaon District, PIN - 782137, Assam, represented by its Principal as the **Second Part**.

Avenues and Collaboration:

I. Guest Lectures and Students' Internship:

The DCS-TU agrees to encourage its faculty members to participate at KC as Guest Lecturer and to provide guidance to Students of KC as Intern whenever possible. The terms and conditions for such participation will be worked out by mutual agreement between the concerned faculty member(s) of TU and KC extending such an invitation.

The members of faculties and students of KC are encouraged to undertake short visits to TU for possible educational assignments. The faculty members of the DCS-TU agree to deliver scientific talks, popular talks, tutorial for UG courses, special lectures on important topics or under the domain of specific expert, lesson for laboratory courses, conduct short workshops, seminars etc. on expressing their need. Both institutions will examine ways to identify financial resources to support travel, remuneration/stipend, etc. for the faculty and/or students.

II. Collaborative Extension Activities:

Page 2 of 4

OFFICE OF THE PRINCIPAL KALIABOR COLLEGE

(Affiliated to Gauhati University, UGC recognized)
P.O.- KUWARITOL -782137: NAGAON: ASSAM

Email: kaliaborcollege@gmail.com Tele-Fax: 03672-295517 website: www.kaliaborcollege.ac.in

The DCS-TU and KC encourages collaboration between members of faculty from the two institutions. It has been proposed that extension activities, especially in quality drinking water at Kaliabor locality will be taken up with an initiative of the College.

The works will be implemented mainly by the college with laboratory testing of water and technical support in water purification from DCS-TU. KC will take initiatives in collection of water samples, organization of awareness programs and water purification training programs, installation of filters and their maintenance. DCS-TU will extend possible supports in testing of water, resource persons for awareness and training programs and technical supports in installation of filters. The terms and conditions for the works will be worked out jointly by DCS-TU and KC.

III. Conservation of Cultural Museum of the College:

Collaborative steps will be taken up by KC and DCS-TU for conservation of the College Cultural Museum. The College will organize small workshops for conservation of wood carvings with original traditional paints and for conservation of Sancipat Manuscripts by noncorrosive method with technical help from DCS-TU. Any financial matters involved in the works will be settled mutually by the two parties.

IV. Other Activities:

In addition to the above areas of activities, DCS-TU and KC agree to establish relationship for collaborative academic, research and outreach activities in any other areas of mutual interest, identified in due course of time, and in accordance with terms and conditions stated in this memorandum of Arrangement (MoA).

V. Tenure and Termination:

This MoA will take effect from the date it is signed by representatives of the two institutions. It will remain valid for five years and may be continued thereafter after suitable review and agreement. This MoA will be considered invalid if either one will send a written notice to the other institution at two months in advance. The DCS-TU and KC

ensure that all activities will be in progress and are allowed to complete successfully. However, after termination of this MoA, neither DCS-TU nor KC will be responsible for any suffer.

This MoU is signed subject to approval of the respective academic / administrative bodies.

In Witness Where of the parties have hereto endorsed with their official seal over the MoA on this 19th day of August, 2019.

Workshop on arsenic, iron-free drinking water organised

ANN Service

KALIABOR, Aug 27: A workshop on 'Arsenic and iron-free drinking water' was organised at Salona Bapuji High School by Kaliabor College in collaboration with the Department of Chemical Sciences of Tezpur University on August 24.

The workshop was organised jointly by 'NEER', NSS and NCC units of Kaliabor College. Existence of high level of arsenic in ground water of Kaliabor area has been observed during recent studies.

Several water samples of Salona area contained arsenic as high as 131 ppb whereas the

WHO safe level is below 10 ppb. Even using water having arsenic of level 0.17 ppb may cause cancer in the long run.

Considering largescale contamination of arsenic, an extension cell of 'NEER' was constituted in Kaliabor College last year for providing awareness and support for arsenic and fluoride-free drinking water in the locality.

It examines water samples of the region with the help of the Department of Chemical Sciences of Tezpur University and provides support for pure drinking water.

Already, a memorandum of agreement has been signed by Kaliabor College with the

Department of Chemical Sciences of Tezpur University and two awareness programmes have also been organised.

Further, more than 200 water samples have already been examined. The awareness programme at Salona was attended by the vice chairman of the Tea Board Simanchal Digal, managements of Salona TE, Dijuvalley TE, Rangamati TE and Amlakhi TE, besides the EAC of Kaliabor Barbie Hazarika, teachers, students and more than 100 anxious members of the local public.

Professor Robin Dutta of the Chemical Sciences De-

partment of Tezpur University delivered a lecture on health threats following contamination of water by arsenic poisoning, removal method of arsenic by very low-cost process, etc.

The Principal of Kaliabor College assured the public present about all possible help in this connection.

Earlier, NSS volunteers of Kaliabor College conducted a cleanliness drive in Salona market area and the NCC cadets staged a street play on anti-tobacco campaign. All these activities were organised by Kaliabor College to mark the golden jubilee celebration of the college.

Inter-state DC-level meet held
