Awareness Programme Report on "Open Textbook Examination, 2021"

Organized by: Kaliabor College

Date: 5th-6th August, 2021

From 5th to 6th August, 2021, Kaliabor College has organized a series of interactive cum awareness programmes for students on **Open Textbook Examination-2021** through Zoom platform. It was organized with the prime objective to help the degree 1st semester students of Kaliabor College in their preparation for upcoming end semester examination under Gauhati University. The programme was held in different batches for three streams. The students were guided throughout the programme to come up with their doubts and mock practices were also conducted for eradicating their apprehension regarding this newly added examination practice. The resource persons were from the teaching fraternity of the college itself and their effort is quite noteworthy to help the students in getting them ready so that the latter can smoothly appear in their ensuing examination.
