## Report on "Promoting Science Communication and Public Engagement"

Date: February 29, 2020

On February 29, 2020, Dr. Anupma Harshal W., a renowned consultant in Science Communication and Public Engagement from the Indian Institute of Science Education and Research (IISER), Pune, engaged in an informative and interactive session with B.Sc. students at Kaliabor College. The event was organized to promote the importance of effective science communication and public engagement, and it witnessed the enthusiastic participation of 31 students eager to delve into the world of science communication. The session aimed to underline the significance of science communication and public engagement in bridging the gap between the scientific community and the general public. Dr. Anupma Harshal W. shared her expertise and experiences in the field, providing students with valuable insights into how to effectively communicate complex scientific concepts and engage with the public. The event emphasized that scientists have a crucial role to play in educating and inspiring the public about scientific concepts. It underscored the need for scientists to step out of their laboratories and actively participate in activities that promote science literacy and understanding. Dr. Anupma Harshal W.'s interaction served as a significant step towards nurturing a new generation of scientists who are not only excellent researchers but also effective communicators and public ambassadors for science.
