Report on Training Program for Teachers on College Website

Management

Date: 29/03/2023

Organized by: Internal Quality Assurance Cell (IQAC), Kaliabor College, in collaboration with S.S Technologies, Guwahati

On the 29th of March 2023, the Internal Quality Assurance Cell (IQAC) of Kaliabor College, in collaboration with S.S Technologies, Guwahati, successfully organized a comprehensive training program for teachers on the effective handling and management of the college website. The primary objective of the training program was to empower teachers with the necessary skills and knowledge to efficiently manage and contribute to the college website. Recognizing the growing importance of an online presence, the initiative aimed to enhance the digital capabilities of faculty members. The collaboration with S.S Technologies, a reputed firm from Guwahati specializing in technology solutions, added value to the training program. Their expertise in website development and management ensured that participants received practical insights and hands-on training. A total of 40 enthusiastic participants, consisting of teachers from various departments, actively engaged in the training program. The diverse group brought a range of perspectives and experiences, contributing to a dynamic learning environment. The training began with a session covering fundamental concepts related to website management, providing participants with a solid foundation. This initiative is expected to have a positive impact on the college's online presence, fostering a more dynamic and engaging platform for students, parents, and the wider community. The success of this program reinforces the importance of ongoing professional development for educators in the digital age.
