**Report on Awareness Program: "Use of E-Resources for Students"**

Dates: June 14 to 16, 2021

Organized by: Central Library, Kaliabor College

An awareness program with a focus on the "Use of E-Resources for Students" was organized by the Central Library at Kaliabor College. The program aimed to educate and enlighten students about the extensive world of electronic resources available to enhance their academic and research endeavors. The three-day awareness program was designed to provide students with an in-depth understanding of the utilization of electronic resources. Dr. Birender Pal, the Librarian at Kaliabor College, served as the resource person for this program. His expertise in library science and e-resource management made him the ideal guide for this initiative. A total of 31 participants attended the program, representing a diverse group of students eager to harness the power of e-resources. The interactive nature of the program encouraged active participation and allowed students to get hands-on experience with electronic resources. The awareness program on the "Use of E-Resources for Students" was a valuable educational initiative, equipping students with the knowledge and skills required to leverage electronic resources for their academic pursuits.
