Report on "Central Library Activities"

Date: 2nd February, 2021

Organized by: Central library, Kaliabor College

On 2nd February, 2021, Central Library, Kaliabor College has taken up a new initiative as Best Practice "Let us Learn a New Word Everyday", inaugurated by Dr. Hiranya Kumar Chaliha, Principal, Kaliabor College. Its objective is to encourage the students to learn a new word in English (with meaning both in English and Assamese) that is proposed to be displayed in front of the library. It is initiated with a view to enhance the vocabulary of students. The initiative shows the commitment of the institution to introduce useful approaches to foster word consciousness for the students. Principal Dr. Chaliha appreciates this unique step forwarded by the college library for the sake of students' interest and he comments that it is of utmost importance for the students to increase their vocabulary and to know about their usage which will help them in handling professional environments in their future. It will also develop their skill to articulate, to feed their brains with creative imagination. On the same day, the Facebook page of Central Library has also been launched by Principal.
